This final 2017 TEAM OYC Newsletter. We celebrate a great season & how to get on top of your game this winter.

WHAT A YEAR!

A lot of hardware, handshakes, and hugs were handed out during our 2017 Awards Banquet. Many of our student athletes showed up to say so long to a great season of sailing. The teamwork grew over the season even in the midst of competition.

WELL ... TUNE IN BEFORE YOU TUNE OUT!

For those of you who like watching videos, we built a YouTube Channel for our athletes and their parents alike. If you follow the link, [OKC Sailing School Channel](#), you will find great instructional content on most of the boat platforms we sail, as well as, information in our playlist library on sailing fundamentals, techniques, and strategy.
