Newbees wanted!

Not going to inlands? Not a problem. Let's get you on the practice course and build that confidence and skills. We have a few beginners to X racing as skippers that could get some great value out of sailing this week. Finley, Will and Randy are going to work with you in a one-on-one clinic tailored to you and specifics to your need.

Our Schedule will be:

- Wednesday 7/26 from 09:00 to 15:00
- Thursday 7/27 from 09:00 to 15:00
- Friday (TBD) 7/28 from 09:00 to 12:00

If interested please let me know by Tuesday (7/25) by Noon.

Thanks, we will look forward to having you there.

OFF TO INLANDS!

So we have a big crowd on the line from TEAM OYC at Inlands. We have been working with a few of the programs to prep boats and get them ready and fast. We are also providing coaching in all fleets and will be working with WBYC to coordinate coach boats. Look for them during the event.

Jr Fleet: Carter Thoreson and Brandon Wagner. Their coach is Harry Whittenberg-Nelson.

Sr. Fleet: John and Rob Baker; Derek Hale, Henry Jensen, and Bradley Wagner. Their coach is Will Cray.

Opti Fleet: Andy Baker. His coach is Harry Whittenberg-Nelson.

Let's wish them luck, but they won't need it as they all have been practicing hard.

INTERLAKE WILL BE BUSY AS WELL.

We will have a strong fleet of six (6) X boats showing up to White Bear. Randy and Finley will be coaching this event and we hope we can have another chance to qualify a boat for Blue Chip. Our TEAM OYC X fleet will consist of:

John and Rob Baker; Derek Hale, Henry Jensen, Carter Thoreson, and Brandon Wagner.

GO GET THEM!
